Q: What college may I attend?

A: Recipients may attend an accredited, public or private, two-year or four-year, college, university, or technical college located in the United States. The recipient's school of choice must be exempt from federal income tax under Section 501 (c) (3) of the Internal Revenue Code.

All recipients must be full-time each semester and working toward an undergraduate degree.

The institution must be an educational organization that normally maintains a regular faculty and curriculum and normally has a regularly enrolled body of pupils or students in attendance at the place where its educational activities are regularly carried on. To the extent the institution is involved in the selection of the recipients (if at all), such involvement must comply with the Fund's policy of awarding scholarships on an objective and non-discriminatory basis as well as the Fund's Conflict of Interest Policy.

A: All complete applicants will be notified of the decisions of the committee.
